Notre stockage par batterie commerciale haute tension ESS tout-en-un de 50 kW, 60 kW, 100 kWh, 120 kWh, avec système d''onduleur hybride, offre une fiabilité et une efficacité inégalées.

Purpose-built for modern commercial and industrial applications, the SolaX AEILO-P60B100 combines a 60kW inverter with 100kWh of high-performance lithium iron phosphate (LFP) battery storage.

Deye''s GE-FL60 are advanced lithium iron phosphate (LFP) battery energy storage systems designed for high-performance energy storage applications. With robust safety features, integrated battery ...

Designed to support grid-tied and off-grid scenarios, the Hybrid ESS cabinet offers seamless integration and maximized space utilization, making it an ideal choice for growing energy demands.

The Deye GE-F60 is a high-voltage commercial battery energy storage cabinet designed for commercial and industrial applications requiring reliable, large-scale energy storage.

A compact small-node Battery Energy Storage system (BESS), ideal for events, construction, and contractors - Our 60 kVA battery solutions help you reduce emissions and noise while allowing you ...

Our battery storage cabinets are constructed with a modular design, providing optimal flexibility for businesses across various sectors. Our power storage cabinets also adhere to safety and quality ...

60kWh High-voltage battery cabinet (GSL-BESS50K60): All-in-one, specifically designed for commercial and industrial applications. Single-door or double-door cabinet options are available, ...

This modular, high-energy-density high-voltage solution provides efficient and sustainable energy security for enterprises, factories, commercial buildings, etc. with excellent performance, reliable ...

60kW French battery energy storage cabinet for oil fields

Our cutting-edge technology seamlessly integrates renewable energy sources with advanced storage and cloud computing capabilities. Each solution is customized to meet the specific needs of ...
