Explore a comprehensive range of 800mm wide x 600mm deep data cabinets and racks from top brands at Comms Express.

What is an 800 wide server cabinet?

These 800 wide cabinets have additional cable access next to the rack profiles to allow easy routing of cables from the front to the rear of the cabinet. These Server Cabinets are available in various configurations and are supplied fully assembled on a pallet, but all cabinets can be easily dismantled if required.

What is the advantage of the 800 wide cabinets?

The large floor aperture gives maximum cable access, plus there is cabling access in the top. All apertures are fitted with blanking plates as standard. These 800 wide cabinets have additional cable access next to the rack profiles to allow easy routing of cables from the front to the rear of the cabinet.
