## Geographic locations eritrea

Eritrea, country of the Horn of Africa, located on the Red Sea. The country is bounded to the southeast by Djibouti, to the south by Ethiopia, to the west by Sudan, and to the east by the Red ...

Where is Eritrea? Eritrea location map showing its position in Africa and world context, highlighting geographic placement, boundaries, and continental surroundings.

Eritrea is located in the Horn of Africa and is bordered on the northeast and east by the Red Sea, on the west and northwest by Sudan, on the south by Ethiopia, and on the southeast by Djibouti. The country has a high central plateau that varies from 1,800 to 3,000 meters (5,906-9,843 ft) above sea level. A coastal plain, western lowlands, and some 350 islands comprise the remainder of Eritrea's land mass.
